

Dear Committee Members and Friends of the Halifax Committee,

During 26 June to 2 July 2010, several Halifax Committee members and guests attended the 100th Anniversary of the Canadian Navy celebrations in Halifax at the invitation of the Norfolk/Halifax Committee. We had a fabulous time and were royally hosted by the Halifax end of our connection. The visit included many opportunities to share ideas and discuss future collaborative projects. At the end of the joint meeting it was decided that an opportunity may exist in September 2010 for the Halifax Committee to host folks from Halifax. I encourage you to visit our photo site at <http://www.norfolk2halifax.com/> to review some of our adventures.
